

a restaurant and bar. with nordic roots.

AGERN

all-American drinks

At Agern our belief in the wines and other beverages produced here in this country is not dogmatic, and we are happy to include one-of-a-kind items from other places, especially those that connect us to our Nordic roots. Ultimately, we seek to find things made thoughtfully (sustainably, organically, and/or locally), but that are also delicious. Chances are that among this rich diversity of terroir and technique we can help you discover an American analogue to your Old-world favorite, but we have some select examples of wines that we are pleased to admit cannot be duplicated anywhere else, on page forty-one.
