

a restaurant and bar. with nordic roots.

AGERN

At Agern our belief in the wines and other beverages produced here in this country is not dogmatic. We are proud to include one-of-a-kind selections from other places, especially those that connect us to our Nordic roots. Ultimately, we seek to present things made thoughtfully (sustainably, organically, and/or locally) however we do prioritize deliciousness. Chances are that among this rich diversity of terroir and technique we can help you discover an American analogue to your Old-world favorites. With that in mind, we have also included select examples that we are pleased to admit cannot be duplicated anywhere else (page forty-one).
